Unpublished opinions are not binding precedent in this circuit. See Local Rule 36(c).

PER CURIAM:

Rosario A. Fiorani, Jr., appeals from the district court's orders denying his requests for hearing transcripts at government expense. We have reviewed the record and the district court's opinions and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Fiorani v. Rust Fed. Sys., No. CA-96-212-A; Fiorani v. Caci, Inc., No. CA-95-1536-A (E.D. Va. June 26, 1996). We deny Appellee Caci, Inc.'s, motion to dismiss and dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
